Warranty & Support

Amazon.com Return Policy: You may return any new computer purchased from Amazon.com that is "dead on arrival," arrives in damaged condition, or is still in unopened boxes, for a full refund within 30 days of purchase. Amazon.com reserves the right to test "dead on arrival" returns and impose a customer fee equal to 15 percent of the product sales price if the customer misrepresents the condition of the product. Any returned computer that is damaged through customer misuse, is missing parts, or is in unsellable condition due to customer tampering will result in the customer being charged a higher restocking fee based on the condition of the product. Amazon.com will not accept returns of any desktop or notebook computer more than 30 days after you receive the shipment. New, used, and refurbished products purchased from Marketplace vendors are subject to the returns policy of the individual vendor.

Works Great!

This battery fit my Toshiba Satellite perfectly and has been able to keep a charge. I brought it in Sept 2018 and still have no issues with it. It's like I have the original Toshiba battery.

Battery was no good

Reviewed in the United States on January 27, 2020

Verified Purchase

I received my order, installed the product,(a laptop battery), Charged it for two days, used it once and it never worked again. My laptop would not even turn on with the new battery.

Mr Biggs

Not much better than a 4 year old OEM battery

Reviewed in the United States on March 7, 2020

Verified Purchase

Bought this to replace a original battery in my Toshiba laptop. At full charge I was getting about 1 1/2 hours out of it. With this new battery set it says 3 hours 45 minutes of power but with full use I get about 1 hour 45 minutes. At least I have a spare now.
